

DECLARATION FOR PATENT APPLICATION (JOINT)Docket Number: **IP-023587**

As Below named inventors, We hereby declare that:

Our residences, post office addresses and citizenships are as stated below next to our names.

We believe we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled Low Surface Energy Blends Useful in the Manufacture of Ovenable Containers, the specification of which is attached hereto as amended on _____ (if applicable).

We hereby state that We have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, 1.56.

We hereby claim the benefit under Title 35, United States Code, 120 of any United States application listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, 112, We acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulation, 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application.
